Here Comes the Muffin Man Bill Baritompa Improper

November 2011
Inspired by Muffin Man Jig Barn Dance

A1 Neighbor Balance and Swing

A2 Give and Take (Ladies draw gents) Partner Swing

B1 Gents Left Allemand 1/2, Neighbor Right Allemand 3/4; Neighbor Dosido

B2 Neighbor Clap (KKRR KKLL KRKL KTB)(15), turn around (1) (to see next N)

After B1b same place as end of A1 but facing Nbhs - during teach after A1 asked everyone to face the neighbor they just swung note 'the position'. Then in teach point out first part of B1 ends in 'the position.' Final part clapping: Knees, own hands together, both hands with N then quick turn in 1 beats to see new N. Originally had clap behind back, but Rob Danforth said took too much time so modified to all stay in front still have only 15 beats of clapping and 1 to turn for surprise.
