May 2008

- A1** Gents Allemand Left 1 1/2, Neighbor Swing
- A2** Promenade across, Ladies Chain, on Right Diagonal to Shadow
- B1** Hey (Ladies X Right Shoulder)
- B2** Partner Gypsy and Swing

A2 do chain only if there is a lady to right to chain with, this can be with neutral couple who is facing in and their courtesy turn ends facing into the set, B2 for those coming off, partners are side by side, end swing facing back into set (becoming neutrals) as in improper dance. Inspired by Chrysalis (Don Flaherty) - for Liz who found an early version of Gypsy Hey Fever too dizzy, and wanted only to gypsy and swing partner
